

# Ms. Y's Reading and Math Education: QR Codes

Scan a code with a tablet or phone camera to open that game on [msyplayground.com](https://msyplayground.com). Cut out the cards to hand to students. 56 games.

## Math Level 1: Getting started

### Count and Match to 10

[msyplayground.com/games/count-to-10.html](https://msyplayground.com/games/count-to-10.html)

### Count and Match to 20

[msyplayground.com/games/count-to-20.html](https://msyplayground.com/games/count-to-20.html)

### Quick Look

[msyplayground.com/games/ten-frame-subitizing.html](https://msyplayground.com/games/ten-frame-subitizing.html)

### Make 5

[msyplayground.com/games/make-5-number-bonds.html](https://msyplayground.com/games/make-5-number-bonds.html)

### Subtraction Within 5

[msyplayground.com/games/subtraction-within-5.html](https://msyplayground.com/games/subtraction-within-5.html)

### Addition Fluency: Balloon Lift

[msyplayground.com/games/k1-addition-within-5.html](https://msyplayground.com/games/k1-addition-within-5.html)

### Subtraction Fluency: Beanstalk Grow

[msyplayground.com/games/k1-subtraction-within-5.html](https://msyplayground.com/games/k1-subtraction-within-5.html)

### Teen Numbers

[msyplayground.com/games/teen-numbers.html](https://msyplayground.com/games/teen-numbers.html)

## Math Level 2: Building up

### Make 10

[msyplayground.com/games/make-10-number-bonds.html](https://msyplayground.com/games/make-10-number-bonds.html)

### Adding Facts to 12

[msyplayground.com/games/addition-facts-within-12.html](https://msyplayground.com/games/addition-facts-within-12.html)

### Missing Addends

[msyplayground.com/games/addition-missing-addends.html](https://msyplayground.com/games/addition-missing-addends.html)

### Subtraction Within 10

[msyplayground.com/games/subtraction-within-10.html](https://msyplayground.com/games/subtraction-within-10.html)

### Subtraction Within 12

[msyplayground.com/games/subtraction-within-12.html](https://msyplayground.com/games/subtraction-within-12.html)

### Missing Parts

[msyplayground.com/games/subtraction-missing-parts.html](https://msyplayground.com/games/subtraction-missing-parts.html)

### Addition Fluency: Rocket Launch

[msyplayground.com/games/gr1-2-addition-within-10.html](https://msyplayground.com/games/gr1-2-addition-within-10.html)

### Subtraction Fluency: Mountain Climb

[msyplayground.com/games/gr1-2-subtraction-within-10.html](https://msyplayground.com/games/gr1-2-subtraction-within-10.html)

### Number Builders to 120

[msyplayground.com/games/numbers-to-120.html](https://msyplayground.com/games/numbers-to-120.html)

Math Level 3: Bigger facts and hundreds

Adding Facts to 18

[msyplayground.com/games/addition-facts-within-18.html](https://msyplayground.com/games/addition-facts-within-18.html)

Subtraction Within 18

[msyplayground.com/games/subtraction-within-18.html](https://msyplayground.com/games/subtraction-within-18.html)

Addition Fluency: Puppy Pilot

[msyplayground.com/games/gr2-3-addition-within-18.html](https://msyplayground.com/games/gr2-3-addition-within-18.html)

Subtraction Fluency: Kite  
Flyer

[msyplayground.com/games/gr2-3-subtraction-within-18.html](https://msyplayground.com/games/gr2-3-subtraction-within-18.html)

Pattern Jumps

[msyplayground.com/games/count-by-10s-and-100s.html](https://msyplayground.com/games/count-by-10s-and-100s.html)

Add It Up

[msyplayground.com/games/add-within-1000.html](https://msyplayground.com/games/add-within-1000.html)

Take It Away

[msyplayground.com/games/subtract-within-1000.html](https://msyplayground.com/games/subtract-within-1000.html)

Math Level 4: Multiplying, fractions and big numbers

|                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                               |

## Reading: Phonemic Awareness

### Blend the Sounds

[msyplayground.com/reading/pa-blending.html](https://msyplayground.com/reading/pa-blending.html)

### Count the Sounds

[msyplayground.com/reading/pa-segmenting.html](https://msyplayground.com/reading/pa-segmenting.html)

### Change a Sound

[msyplayground.com/reading/pa-substitution.html](https://msyplayground.com/reading/pa-substitution.html)

## Reading: Letters and Sounds

### Owl's Letter Names

[msyplayground.com/reading/letter-names-game.html](https://msyplayground.com/reading/letter-names-game.html)

### Bear's Letter Buddies

[msyplayground.com/reading/letter-match-game.html](https://msyplayground.com/reading/letter-match-game.html)

### Frog's Sound Pond

[msyplayground.com/reading/letter-sounds-game.html](https://msyplayground.com/reading/letter-sounds-game.html)

## Reading: Word Ladders

### Word Ladders Level 1

[msyplayground.com/reading/word-ladders/level1.html](https://msyplayground.com/reading/word-ladders/level1.html)

### Word Ladders Level 2

[msyplayground.com/reading/word-ladders/level2.html](https://msyplayground.com/reading/word-ladders/level2.html)

### Word Ladders Level 3

[msyplayground.com/reading/word-ladders/level3.html](https://msyplayground.com/reading/word-ladders/level3.html)

### Word Ladders Level 4

[msyplayground.com/reading/word-ladders/level4.html](https://msyplayground.com/reading/word-ladders/level4.html)

## Reading: Reading Fluency

### Scoop It: 1st Grade

[msyplayground.com/reading/scoop-it-fluency.html#grade-1](https://msyplayground.com/reading/scoop-it-fluency.html#grade-1)

### Scoop It: 2nd Grade

[msyplayground.com/reading/scoop-it-fluency.html#grade-2](https://msyplayground.com/reading/scoop-it-fluency.html#grade-2)

### Scoop It: 3rd Grade

[msyplayground.com/reading/scoop-it-fluency.html#grade-3](https://msyplayground.com/reading/scoop-it-fluency.html#grade-3)

### Scoop It: 4th Grade

[msyplayground.com/reading/scoop-it-fluency.html#grade-4](https://msyplayground.com/reading/scoop-it-fluency.html#grade-4)

### Scoop It: 5th Grade

[msyplayground.com/reading/scoop-it-fluency.html#grade-5](https://msyplayground.com/reading/scoop-it-fluency.html#grade-5)
